

FLORIDA Instructions: The FLORIDA TMEP reference table has been updated to reflect the new standards for cases processed effective July 1, 2018. A mass change will be run for these July changes. FLORIDA notices will be generated if there is a change in the client's patient responsibility or the community spouse's income allowance.

After the mass change is completed a system broadcast message will be posted on FLORIDA. The message will advise staff when the Mass Change Exception report is available. Staff must take appropriate action on cases appearing on the exception report.

If there are policy questions, region program offices may contact Nathan Lewis at Nathan.Lewis@myflfamilies.com. If there are any technology or systems questions, please contact LaQuetta Anderson at LaQuetta.Anderson@myflfamilies.com.
