OFFICE OF FAIR HEARINGS

[REDACTED]

PETITIONER,

AHCA Case No.: 22-FH1972

Plan ID No.: [REDACTED]

Plan ID No.: [REDACTED]

vs.

SUNSHINE STATE HEALTH PLAN, INC.,

RESPONDENT.

_____ /

FINAL ORDER OF DISMISSAL

On October 25, 2022, [REDACTED] (“Petitioner’s Authorized Representative”) requested a Fair Hearing on behalf of Petitioner. Rule 59G-1.100(8)(e), Florida Administrative Code, requires an Enrollee to initiate and complete a plan appeal before making a Fair Hearing request. The plan appeal is complete when the Plan issues a Notice of Plan Appeal Resolution (“NPAR”) indicating the plan appeal was not resolved wholly in the Enrollee’s favor, or the Plan fails to adhere to notice and timing requirements applicable to plan appeals. If an Enrollee does not complete the plan appeal process prior to requesting a Fair Hearing, the Fair Hearing will be dismissed. As of the date of the Fair Hearing request, the Office of Fair Hearings did not have a plan appeal for this case.

On November 28, 2022, the undersigned issued an Order to Show Cause (“Order”) why the Fair Hearing request should not be dismissed for failure to comply with Rule 59G-1.100(8)(e), Florida Administrative Code. The Order notified Petitioner’s Authorized Representative that

failure comply with the rule requirement on or before December 8, 2022, would result in dismissal of the case.

In this case, the Office of Fair Hearings did not receive, on or before December 8, 2022, an NPAR for Plan ID no. [REDACTED] and Plan ID no. [REDACTED], or a response indicating that the plan failed to adhere to the notice and timing requirements applicable to plan appeals.

Based on the foregoing,

IT IS THEREFORE ORDERED AND ADJUDGED THAT:

This case is dismissed without prejudice and is now closed with respect to Plan ID no. [REDACTED] and Plan ID No. [REDACTED] only. **The case will continue forward regarding the NPAR dated September 16, 2022, for Plan ID No. [REDACTED].**

DONE AND ORDERED this 19th day of December, 2022, in Tallahassee, Leon County, Florida.
