[REDACTED]

PETITIONER,

AHCA Case No.: 22-FH2083

vs.

AGENCY FOR HEALTH CARE  
ADMINISTRATION,

RESPONDENT.

\_\_\_\_\_ /

**FINAL ORDER**

At all times relevant to this proceeding, Petitioner received Medicaid benefits through on a fee-for-service basis. On November 8, 2022, [REDACTED] ("Complainant") requested a Fair Hearing on behalf of Petitioner based on Respondent's denial of.

Pursuant to Rule 59G-1.100(9)(b)(6), Florida Administrative Code, the Hearing Officer is authorized to dismiss a request for a Fair Hearing because it is moot. The Florida Supreme Court explained in *Godwin v. State*, 593 So.2d 211 (1992) (*citing Dehoff v. Imeson*, 153 Fla. 553 (1943)) that "[a]n issue is moot when the controversy has been so fully resolved that a judicial determination can have no actual effect. . . A case is 'moot' when it presents no actual controversy or when the issues have ceased to exist."

On March 3, 2023, Respondent filed with the Office of Fair Hearings a letter authorizing behavior analysis services at issue (416 units of Code D97155, 208 units of Code D97156, and 3,120 units of Code D97153). As the sole issue in the instant case, the undersigned concludes that there is no relief that can be granted at a Fair Hearing at this time.

On March 24, 2023, the undersigned issued an Order to Show Cause (“Order”) why the Fair Hearing request should not be dismissed for mootness under Fla. Admin. Code R. 59G-1.100(9)(b)(6). The Order notified the Petitioner that failure to provide documentation to show cause why the request for a Fair Hearing should not be dismissed on or before April 3, 2023, would result in dismissal of the case.

The Office of Fair Hearings did not receive a response indicating that there are any additional issues that the Office of Fair Hearings has jurisdiction to address.

Based on the foregoing,

**IT IS THEREFORE ORDERED AND ADJUDGED THAT:**

This case is dismissed as moot, and is now closed.

**DONE AND ORDERED** this 17th day of April, 2023 in Tallahassee, Leon County, Florida.
