FINDINGS OF FACT

1. Petitioner is an enrolled member of Sunshine Health. See RCE 1 at page 2. Sunshine Health is a managed care organization contracted by the Agency to provide services to eligible Medicaid recipients in Florida.

RCE 1 at 68.

6. Petitioner requested an additional eight (8) hours per week of personal care services. In the Notice of Adverse Benefit Determination ("NABD"), Respondent denied Petitioner's request as of May 4, 2023. *Id.* at 4 – 8. The NABD explained the basis of the decision as follows:

We determined that your requested services are not medically necessary because the services do not meet either of the reasons checked below: (See Rule)

...

- Meet all of the following criteria for all extended state plan services used for the purposes of maintenance therapy and all other home and community-based services:

1. Be individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient's needs;
2. Be reflective of the level of service that can be safely furnished, and for which no equally effective and more conservative or less costly treatment is available statewide; and
3. Be furnished in a manner not primarily intended for the convenience of the recipient, the recipient's caretaker, or the provider;

and one of the following:

1. Enable the enrollee to maintain or regain functional capacity; or
2. Enable an enrollee receiving long-term services and supports to have access to the benefits of community living, to achieve person-centered goals, and live and work in the setting of their choice.

...

- Other Authority

...

The facts that we used to make our decision are:

The request for an extra 8 hours per week of Personal Care Services is denied as not medically needed. Based on the assessment, the member's currently approved services are adequate to meet the member's care needs. The member's present care plan includes 28 hours per week of Personal Care Services and 4 hours per week of Homemaker Services. This decision was made with Sunshine Health Policy LT.UM.09 Long Term Care Ancillary Service Criteria.

7. Petitioner requested a plan appeal and received a Notice of Plan Appeal Resolution ("NPAR"), dated May 32, 2023, upholding the denial of additional personal care services. *Id.* at

87 – 90. The NAPR states, in pertinent part:

On 05/05/2023 we received your timely plan appeal request Sunshine Health's Notice of Adverse Benefit Determination dated 05/04/2023, Notice of Adverse Benefit Determination Number OPlh0000291, *DENYING* the service to be provided to [Petitioner].

On 05/19/2023, after consideration of the information you provided to Sunshine Health in support of your plan appeal, Sunshine Health hereby denies your plan appeal. As a result, [Petitioner] will not receive service, effective 05/19/2023.

The reason for our decision was the request for an extra 8 hours per week of Personal Care Services is denied as not medically needed. Based on the assessment, the members currently approved services are adequate to meet the members care needs. The member's present care plan includes: 28 hours per week of Personal Care Services and 4 hours per week of Homemaker Services. The prior decision is upheld. This decision was made with Sunshine Health Policy LT.UM.09 Long Term Care Ancillary Service Criteria. This decision was made by a Medical Director Board Certified in Internal Medicine.

8. On June 27, 2023, Petitioner requested a Fair Hearing to challenge the denial of additional personal care services. On July 6, 2023, the Hearing Officer issued an Order Scheduling Fair Hearing by Telephone and Prehearing Instructions, setting the hearing for July 27, 2023, at 9:00 a.m. EST.

9. On July 26, 2023, Respondent authorized Petitioner to receive four (4) of the eight (8) additional hours requested of personal care services.

10. Petitioner's [REDACTED], testified as follows:
- a. Petitioner needs more hours of care because [REDACTED] cannot look out for [REDACTED] and needs help with everything.
 - b. Petitioner lives with [REDACTED], cannot be alone, and is 100% dependent on [REDACTED], who cannot do anything else but care [REDACTED].
 - c. Petitioner needs supervision at all times.
 - d. [REDACTED] cannot look for another job or do anything else because [REDACTED] has to take care of Petitioner.
11. Dr. Jarvis is a Medical Director for Sunshine Health. Dr. Jarvis testified as follows:
- a. The approval of four (4) hours per week of personal care services brought Petitioner's total services to thirty-six (36) hours per week: thirty-two (32) hours of personal care services and four (4) hours of homemaker services.
 - b. The thirty-six (36) hours of approved homecare is administered through the Direct Service Worker ("DSW") Participant Direction Option ("PDO") program. [REDACTED] is the paid caregiver for Petitioner.
 - c. [REDACTED] also provides informal (not paid) support to Petitioner.
 - d. Regarding the health and wellbeing of Petitioner, Respondent determined that the thirty-six (36) hours presently being provided to Petitioner is appropriate at keeping Petitioner safe and cared for comprehensively in [REDACTED] home.
12. In making its determination, Respondent relied upon the Sunshine Health Policy and Procedure LT.UM.09, which states in pertinent part as follows:

6. Personal Care Services

In accordance with Rule 59G-4.215, F.A.C., for member under the age of 21 years. CONCLUSIONS OF LAW

13. The Agency's Office of Fair Hearings has jurisdiction over the subject matter of this proceeding and the parties pursuant to Fla. Stat. § 409.285(2)(2019). This order is the final administrative decision of AHCA under Fla. Stat. § 409.285(2)(a).

14. This hearing was held as a *de novo* proceeding pursuant to Fla. Admin. Code R. 59G-1.100(17)(b).

15. Because Petitioner is requesting a new service, Fla. Admin Code R. 59G-1.100(17)(g)

assigns the burden of proof to Petitioner. The standard of proof in an administrative hearing is a preponderance of the evidence. The preponderance of the evidence standard requires proof by “the greater weight of the evidence” (Black’s Law Dictionary at 1201, 7th Ed.).

16. The Statewide Medicaid Managed Care Long-term Care Program Coverage Policy (March 2017) (“LTC Policy”), incorporated by reference in Fla. Admin. The scope and nature of these services do not otherwise differ from personal care services furnished to persons under the age of 21 years.

...

6.2 Specific Criteria

In order to receive LTC services, services must be documented on an individual plan of care based upon a comprehensive needs assessment. The comprehensive assessment includes the completion of the 701-B Comprehensive Assessment and the LTC Supplemental Assessment. [emphasis supplied]

LTC Policy at pages 1 – 8.

17. The LTC Policy also provides the following regarding medical necessity:

1.3.14 Medically Necessary or Medical Necessity

For the purposes of this policy, the service must meet either of the following criteria:

(a) Nursing facility services and mixed services must meet the medical necessity criteria defined in Rule 59G-1.010, F.A.C.

(b) All other LTC supportive services must meet all of the following:

- Be individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient's needs

LTC Policy at pages 2 – 3.

18. The Florida Medicaid Definitions Policy (August 2017) ("Definitions Policy"), incorporated by reference in Fla. Admin. Code R. 59G-1.010, defines "Medically Necessary" or "Medical Necessity" as follows:

The medical or allied care, goods, or services furnished or ordered must meet the following conditions:

- Be necessary to protect life, to prevent significant illness or significant disability, or to alleviate pain
- Be individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient's needs

- Be furnished in a manner not primarily intended for the convenience of the recipient, the recipient's caretaker, or the provider

The fact that a provider has prescribed, recommended, or approved medical or allied care, goods, or services does not, in itself, make such care, goods or services medically necessary or a medical necessity or a covered service.

Definitions Policy at page 7.

19. The Personal Care Services Coverage Policy (“PCS Policy”), which is incorporated by reference in Rule 59G-4.215, F.A.C., states as follows:

1.1 Description

Florida Medicaid personal care services provide medically necessary assistance, in the home or in the community, with activities of daily living (ADL) and age appropriate instrumental activities of daily living (IADL) to enable recipients to accomplish tasks they would normally be able to do for themselves if they did not have a medical condition or disability.

...

1.1.2 Statewide Medicaid Managed Care Plans

Florida Medicaid managed care plans must comply with the coverage requirements outlined in this policy, unless otherwise specified in the AHCA contract with the Florida Medicaid managed care plan. The provision of services to recipients enrolled in a Florida Medicaid managed care plan must not be subject to more stringent coverage limits than specified in Florida Medicaid policies.

PC Policy at 1, 3 – 5.

20. Petitioner requested an additional eight (8) hours per week of personal care services, supra ¶ 6, and was approved for four (4) additional hours of personal care services. See supra ¶ 9. The additional personal care services were denied based on medical necessity. See supra ¶ 6, 7. Respondent explained that Petitioner’s request was not medically necessary based on the information provided but did not specify which of the five medical necessity criteria Petitioner’s request failed to meet. *Id.*

21. Section 4.1 of the LTC Policy provides that Florida Medicaid LTC plans cover services that: (a) are determined medically necessary, as defined in the LTC Policy; (b) do not duplicate another service; and (c) meet the criteria as specified in the LTC Policy. See supra ¶ 16. Further, in order to receive LTC services, services must be documented on an individual plan of care based

upon a comprehensive needs assessment. The comprehensive assessment includes the completion of the 701-B Comprehensive Assessment and the LTC Supplemental Assessment.

Id.

22. The evidence presented reflects that Respondent's denial of an additional four (4) hours per week of personal care services is warranted under the circumstances of this case. As provided in the LTC Policy, personal care is to provide "assistance with ADLs and IADLs, including assistance with preparation of meals, and housekeeping chores which are incidental to the care furnished or are essential to the health and welfare of the enrollee." See supra ¶ 16. The record reflects that Petitioner lives with [REDACTED] in a [REDACTED]. See supra ¶ 2 and 10. With regard to ADLs, Petitioner needs assistance (but not total help) with [REDACTED] and needs total assistance (cannot do at all) with [REDACTED]. See supra ¶ 3. The 701B Assessment states that Petitioner always has assistance with all of [REDACTED] ADLs. See supra ¶ 3. Regarding IADLs, Petitioner needs total assistance (cannot do at all) with [REDACTED]; needs assistance (but not total help) with [REDACTED]. See supra ¶ 4. The 701B Assessment states that Petitioner always has assistance with all of [REDACTED] IADLs. See supra ¶ 4. Petitioner is currently approved for thirty-two (32) hours of personal care services and four (4) hours of homemaker services each week, for a total of thirty-six (36) hours of care. See supra ¶ 11(a).

23. The PCS Policy, which is incorporated by reference in Fla. Admin. Code R. 59G-4.215, provides general guidance concerning the time allotted for personal care tasks. See supra ¶ 19. [REDACTED] testified that Petitioner needs more hours of care because [REDACTED] cannot look out for

herself and needs help with everything. *See supra* ¶ 10. However, Petitioner provided no time estimates for each ADL or IADL to explain the amount of time Petitioner needs for [REDACTED] ADLs or IADLs. Allotting thirty (30) minutes of time for each of Petitioner's ADLs [REDACTED] and taking into account Petitioner's medical conditions, the current thirty-two (32) hours of personal care services appear to be reasonable. Petitioner also has four (4) hours of homemaker services per week, which closely align with the documented IADL tasks that Petitioner needs assistance with. Dr. Jarvis provided credible and persuasive testimony that the approved services are adequate to meet Petitioner's needs.

24. [REDACTED] testified that Petitioner needs supervision at all times. *See supra* ¶ 10. The request for additional personal care hours for the purposes of supervision corresponds more with adult companion care services, which are defined as the "provision of non-medical care, supervision when necessary to protect the health, safety, and well-being of the enrollee, or social enrichment of a functionally impaired enrollee." *See supra* ¶ 16.

25. [REDACTED] testified that [REDACTED] cannot look for another job or anything else because [REDACTED] has to take care of Petitioner. *See supra* ¶ 10. However, services must be furnished in a manner not primarily intended for the convenience of the recipient or recipient's caretaker. *See supra* ¶ 6, 17, and 18.

26. Therefore, upon consideration of the testimony provided, Respondent's Composite Exhibit 1, and the applicable laws and policies, the undersigned concludes that Petitioner did not prove by a preponderance of the evidence that Respondent's denial of an additional four (4) hours per week of personal care services was incorrect.

DECISION

Respondent's denial of an additional four (4) hours per week of personal care services is **AFFIRMED**. Petitioner's appeal based on Respondent's denial in this matter is **DENIED**.
