OFFICE OF FAIR HEARINGS

[Redacted]

PETITIONER,

AHCA Case No.: 23-FH3194

vs.

AGENCY FOR HEALTH CARE
ADMINISTRATION,

RESPONDENT.

_____ /

FINAL ORDER

Pursuant to notice, Hearing Officer Debbie Winicki scheduled and convened a telephonic Medicaid Fair Hearing in the above-styled case on January 25, 2023, at 9:00 a.m., Eastern Standard Time (“EST”).

APPEARANCES

For the Petitioner:

[Redacted]

Petitioner’s Authorized Representative

For the Respondent:

Linda Latson
Registered Nurse and Fair Hearing Liaison
Agency for Health Care Administration

STATEMENT OF ISSUE

The issue is whether Respondent proved by a preponderance of the evidence that Respondent’s termination of Petitioner’s Prescribed Pediatric Extended Care (“PPEC”) services was correct.

PRELIMINARY STATEMENT

All parties appeared telephonically. [REDACTED] (“[REDACTED]”), Petitioner’s Authorized Representative, appeared on behalf of Petitioner.

Linda Latson, Registered Nurse and Fair Hearing Liaison for the Agency for Health Care Administration (“AHCA” or “Agency”), appeared on behalf of the Respondent. Dr. Rakesh Mittal (“Dr. Mittal”), Physician’s Consultant at eQHealth Solutions, Inc. (“eQHealth”), appeared as a witness for the Respondent.

Prior to the hearing, Respondent sent to the Office of Fair Hearings and Petitioner a four hundred and ten (410)-page evidence packet and a forty-seven (47)-page evidence packet. The four hundred and ten (410)-page evidence packet appears in the Office of Fair Hearings’ document management system as file titles “[REDACTED] FH 01.25.2024 1-91.pdf,” “[REDACTED] FH 01.25.2024 92-128.pdf,” “[REDACTED] FH 01.25.2024 127-167.pdf,” “[REDACTED] FH 01.25.2024 129-167.pdf,” “[REDACTED] FH 01.25.2024 168-200.pdf,” “[REDACTED] FH 01.25.2024 201-227.pdf,” “[REDACTED] FH 01.25.2024 228-253.pdf,” “[REDACTED] FH 01.25.2024 254-282.pdf,” “[REDACTED] FH 01.25.2024 283-379.pdf,” and “[REDACTED] FH 01.25.2024 380-410.pdf.” The forty-seven (47)-page evidence packet appears in the Office of Fair Hearings’ document management system as the file title “23-FH3054 AHCA Evidence (Pages 1-47).pdf.” Absent an objection from the Petitioner, the Hearing Officer admitted the four hundred and ten (410)-page evidence packet into evidence as Respondent’s Composite Exhibit 1 (“RCE 1”) and the forty-seven (47)-page evidence packet into evidence as Respondent’s Composite Exhibit 2 (“RCE 2”).

Prior to the hearing, Petitioner sent to the Office of Fair Hearings and Respondent a fifty-eight (58)-page evidence packet, a fifty-five (55)-page evidence packet, a five (5)-page

evidence packet, a four (4)-page evidence packet, a one hundred and five (105)-page evidence packet, and a twenty-three (23)-page evidence packet. The fifty-eight (58)-page evidence packet appears in the Office of Fair Hearings' document management system as file title "23-FH3194 Evidence.pdf," the fifty-five (55)-page evidence packet appears in the Office of Fair Hearings' document management system as file title "23-FH3194 Evidence(2).pdf," the five (5)-page evidence packet appears in the Office of Fair Hearings' document management system as file title "23-FH3194 Evidence(3).pdf," the one hundred and five (105)-page evidence packet appears in the Office of Fair Hearings' document management system as file title "23-FH3194 Evidence(4).pdf," and the twenty-three (23)-page evidence packet appears in the Office of Fair Hearings' document management system as file title "23-FH3194 Evidence.pdf." Absent an objection from the Respondent, the Hearing Officer admitted the fifty-eight (58)-page packet into evidence as Petitioner's Composite Exhibit 1 ("PCE 1"), the fifty-five (5)-page packet into evidence as Petitioner's Composite Exhibit 2 ("PCE 2"), the five (5)-page packet into evidence as Petitioner's Composite Exhibit 3 ("PCE 3"), the one hundred and five (105)-page packet into evidence as Petitioner's Composite Exhibit 4 ("PCE 4"), and the twenty-three (23)-page packet into evidence as Petitioner's Composite Exhibit 5 ("PCE 5").

FINDINGS OF FACT

1. Petitioner receives Medicaid services on a fee-for-service basis from the Agency. eQHealth is a Quality Improvement Organization contracted by the Agency to review prior authorization requests for services. *See* page 2 of RCE 2.
2. Petitioner is an [REDACTED]. *Id.* at 16. Petitioner is diagnosed with the following: [REDACTED]

[REDACTED]. *Id.* at 17.

3. Petitioner does not receive IV/Infusion therapy. *Id.* at 44. Petitioner is not ventilator dependent, nor does [REDACTED] use a BiPap/CPAP, or oxygen. *Id.* at 45 - 46. Petitioner uses [REDACTED]. *Id.* at 45. Petitioner uses no enteral feeds. *Id.* at 46. Petitioner does not require wound care. *Id.* at 48.

4. Petitioner's current medications are as follows: [REDACTED]. *Id.* at 41. Petitioner has no scheduled medications at PPEC. *See infra* ¶ 11.

5. Petitioner has not been [REDACTED] RCE 1 at 44. According to the Florida Home Health Assessment Tool, dated September 26, 2023, ("FL HH Assessment), Petitioner's health status is "stable with no heightened risk(s) for serious complications and death (beyond those typical of the recipient's age)." *Id.*

6. Petitioner attends [REDACTED] five (5) days per week, Monday through Friday, and PPEC after school and during school breaks. *Id.* at 67. Petitioner [REDACTED]. *Id.* at 46. Petitioner is [REDACTED]. *Id.* Petitioner's [REDACTED] are not appropriate for [REDACTED] age, as [REDACTED] needs assistance and some direction in specific situations, or consistently requires low stimulus environment due to distractibility. *Id.* at 47. Petitioner's activities of daily living (ADLs) are not appropriate for [REDACTED] age, including for [REDACTED]. *Id.* at 49. Petitioner's [REDACTED] are appropriate for [REDACTED] age. *Id.* at 49. Petitioner receives physical and occupational therapies two (2) times a week at PPEC; and [REDACTED] will start

applied behavior analysis therapy. *Id.* at 49 -50.

7. Petitioner lives with [REDACTED] who works outside the home. *Id.* at 45.

8. Petitioner requested PPEC services for seven (7) days per week for the certification period starting November 15, 2023, through May 12, 2024. *Id.* at 20.

9. On November 16, 2023, eQHealth sent Petitioner a Notice of Outcome (“Notice”) terminating Petitioner’s PPEC services. *Id.* at 25 - 28. The Notice explained that the requested services were terminated because they were not medically necessary and explained as follows:

The request for services is denied in whole or in part because they are not medically necessary as defined in 59G-1.010, Florida Administrative Code. Specifically the requested services are not medically necessary under the following standard(s):

Individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness under treatment, and not in excess of the patient’s needs.

The rationale for our decision is as follows:

PR Principal Reason – Denial:

Submitted information does not support the medical necessity for requested services.

Clinical Rationale for Decision: Request is for PPEC services for this [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED] No need for skilled nursing care. Deny this request.

Date of Action is 11/16/2023.

...

Id. at 25-26.

10. On December 19, 2023, Petitioner requested a Fair Hearing due to Respondent’s termination of Petitioner’s PPEC services. On January 4, 2023, the Hearing Officer issued an

Order Scheduling Fair Hearing and Prehearing Instructions, setting the hearing for January 25, 2023, at 9:00 a.m. EST. All parties were duly notified. *Id.* at 8 - 14.

11. Dr. Mittal's testimony established that Petitioner's request for PPEC services were terminated because [REDACTED] does not meet the criteria for medical necessity, as set forth by AHCA and Medicaid rules. Dr. Mittal testified that a review of Petitioner's medical information reflects that while Petitioner is medically complex, [REDACTED] is medically stable. Dr. Mittal noted that Petitioner has had [REDACTED]. Dr. Mittal further noted that Petitioner attends school with a school nurse in attendance, and needs and/or receives physical, occupational, speech, and ABA therapies, and [REDACTED], but that these therapies and treatment may be received through home health care services or facilities outside of PPEC. Dr. Mittal testified that Petitioner receives no scheduled medications at PPEC, and that [REDACTED] medications and treatments may be given at home, in the mornings or evenings, by [REDACTED]. Dr. Mittal further explained that under AHCA rules and regulations, parents must provide as much care as they can to their child with needs, and that skilled nursing is not medically necessary to meet Petitioner's needs. Dr. Mittal concluded that Petitioner's nursing needs consist of monitoring and supervision, therefore, Petitioner lacks sufficient skilled nursing needs to warrant PPEC care.

12. [REDACTED]' testimony established that Petitioner is at the [REDACTED]. [REDACTED] further testified that [REDACTED] works outside the home, and takes Petitioner to [REDACTED]. [REDACTED] contends that [REDACTED] would be unable to take Petitioner

to receive [REDACTED] therapies outside of PPEC. [REDACTED] concluded that Petitioner needs to remain at PPEC.

CONCLUSIONS OF LAW

13. The Agency's Office of Fair Hearings has jurisdiction over the subject matter of this proceeding and the parties pursuant to section 409.285(2), Florida Statutes. This order is the final administrative decision of AHCA under section 409.285(2)(a).

14. This hearing was held as a *de novo* proceeding pursuant to Fla. Admin. Code R.59G-1.100(17)(b), which states "[e]ach fair hearing shall be a de novo, evidentiary proceeding, and shall be conducted in a manner that meets the requirements of this rule."

15. The burden of proof in this proceeding is governed by Fla. Admin Code R. 59G-1.100(17)(g), which provides as follows:

The burden of proof is on the party asserting the affirmative of an issue, except as otherwise required by statute. The burden of proof is on the Agency or plan, whichever is applicable, when the issue presented is the suspension, reduction, or termination of a previously authorized service. The burden of proof is on the recipient or enrollee, when the issue presented is the denial or a limited authorization of a service. The party with the burden of proof shall establish its position to the satisfaction of the Hearing Officer by a preponderance of the evidence.

16. In the instant case, Respondent terminated Petitioner's PPEC services. As such, Fla. Admin. Code R. 59G-1.100(17)(g) assigns the burden of proof to Respondent. The standard of proof in an administrative hearing is a preponderance of the evidence. The preponderance of the evidence standard requires proof by "the greater weight of the evidence." (Black's Law Dictionary at 1201, 7th Ed.)

17. The Florida Medicaid Prescribed Pediatric Extended Care Services Policy (February 2018) ("PPEC Policy"), incorporated by reference in Fla. Admin. Code R. 59G- 4.260, governs PPEC

services available under Florida Medicaid. The PPEC Policy provides the following:

1.1 Description

Florida Medicaid prescribed pediatric extended care (PPEC) services provide skilled nursing supervision and therapeutic interventions in a non-residential setting to medically dependent or technologically dependent recipients.

...

1.3 Definitions

The following definitions are applicable to this policy. For additional definitions that are applicable to all sections of Rule Division 59G, F.A.C., please refer to the Florida Medicaid definitions policy.

...

1.3.7 Medically Necessary/Medical Necessity

As defined in Rule 59G-1.010, F.A.C.

...

2.2 Who Can Receive

Florida Medicaid recipients under the age of 21 years requiring medically necessary PPEC services and who:

- Require continuous therapeutic interventions or skilled nursing supervision, as described in section 400.902, F.S. and in Rule 59A- 13.007, F.A.C.
- Are determined medically stable by a physician and who are not a threat to self or others
Some services may be subject to additional coverage criteria as specified in section

...

4.1 General Criteria

Florida Medicaid covers services that meet all of the following:

- Are determined medically necessary
- Do not duplicate another service
- Meet the criteria as specified in this policy

4.2 Specific Criteria

Florida Medicaid covers PPEC services provided in accordance with section 400.902, F.S., the applicable Florida Medicaid fee schedule, or as specified in this policy, on a full or partial day basis. Services must include the following at a minimum:

- Caregiver training
- Developmental therapies
An appropriate escort for travel to and from the PPEC when Florida Medicaid nonemergency transportation is provided
- Medical services
- Nursing services

- Personal care services
- Psychosocial services
- Respiratory therapy services

The PPEC day begins when the recipient arrives at the PPEC or is picked up for escorted transportation to the PPEC.

The PPEC day ends when the recipient departs from the PPEC for the day or is returned home by escorted transportation from the PPEC.

4.2 Early and Periodic Screening, Diagnosis, and Treatment

As required by federal law, Florida Medicaid provides services to eligible recipients under the age of 21 years, if such services are medically necessary to correct or ameliorate a defect, a condition, or a physical or mental illness. Included are diagnostic services, treatment, equipment, supplies, and other measures described in section 1905(a) of the SSA, codified in Title 42 of the United States Code 1396d(a). As such, services for recipients under the age of 21 years exceeding the coverage described within this policy or the associated fee schedule may be approved, if medically necessary. For more information, please refer to Florida Medicaid’s General Policies on authorization requirements.

5.0 Exclusion

5.1 General Non-Covered Criteria

Services related to this policy are not covered when any of the following apply:

- The service does not meet the medical necessity criteria listed in section 1.0
- The recipient does not meet the eligibility requirements listed in section 2.0
- The service unnecessarily duplicates another provider’s service

5.2 Specific Non-Covered Criteria

Florida Medicaid does not cover the following as part of this service benefit:

- A full day and a partial day of PPEC services on the same date of service, for the same recipient
- Early intervention services when billed separately
- Food or formulas
- Supportive or contracted services as defined in section 400.902, F.S.
- Transportation services

Some services may be reimbursed through another Florida Medicaid-covered service. Please refer to the service-specific coverage policy for more information.

...

7.0 Authorization

7.1 General Criteria

The authorization information described below is applicable to the fee-for-service delivery system. For more information on general authorization requirements, please refer to Florida Medicaid’s General Policies on

authorization requirements.

7.2 Specific Criteria

Providers must obtain authorization from AHCA, or its designee, every 180 days or more frequently if there is a change in the recipient's condition requiring an alteration in services.

Providers must submit a discharge request to AHCA, or its designee, to terminate a recipient's services. The discharge request must include both of the following:

- Last date services were provided to the recipient
- Number of units of service used during the current authorization period (through the discharge date)

PPEC Services Coverage Policy at pages 1 - 4.

18. Florida Administrative Code Rule 59A-13.007(4)(a), F.A.C. states the following:

(4) Each child admitted for service to a PPEC center must meet at least the following criteria:

(a) Infants and children considered for admission to the PPEC center will be those who are medically or technologically dependent. . . .

. . .

Further, section 400.902 of the Florida Statutes describes "medically dependent or technologically dependent child" as follows:

[A] child who because of a medical condition requires continuous therapeutic interventions or skilled nursing supervision which must be prescribed by a licensed physician and administered by, or under the direct supervision of, a licensed registered nurse.

19. Florida Administrative Code Rule 59G-4.290 defines skilled nursing as follows:

(3) Skilled Services Criteria.

- a) To be classified as requiring skilled nursing or skilled rehabilitative services in the community or in a nursing facility, the recipient must require the type of medical, nursing or rehabilitative services specified in this subsection.
- b) Skilled Nursing. To be classified as skilled nursing service, the service must meet all of the following conditions:
 1. Ordered by and remain under the supervision of a physician;
 2. Sufficiently medically complex to require supervision, assessment, planning, or intervention by a registered nurse.

3. Required to be performed by, or under the direct supervision of, a registered nurse or other health care professionals for safe and effect performance;
 4. Required on a daily basis;
 5. Reasonable and necessary to the treatment of a specified documented illness or injury; and,
 6. Consistent with the nature and severity of the individual's condition or the disease state or stage.
- c) Examples of services that qualify as skilled nursing services:
1. Intravenous medication or fluids.
 2. Intramuscular or subcutaneous injection and hypodermoclysis when:
 - a. Administered by licensed nursing personnel at least 5 times weekly, excluding daily insulin administration; and,
 - b. Observation is necessary to assess the recipient's response to treatment or to identify adverse reactions.
 3. Management and monitoring medication regime on a daily basis:
 - a. For drugs whose dosage requirements may rapidly change;
 - b. For drugs prone to cause adverse reactions, severe side effects or unfavorable reactions; and,
 - c. For residents with unstable reactions.
 4. Levin tube and gastrostomy feedings; excluding feedings performed by residents, family members, or friends.
 5. Administration of medical gases, aerosolized medication or oxygen which is started, monitored and regulated by professional staff.
 6. Naso-pharyngeal and tracheotomy aspiration, excluding tracheotomy care in self-care residents.
 7. Insertion, replacement, and sterile irrigation of catheters when:
 - a. Medically necessary or required for reasons other than to maintain satisfactory catheter functioning and dryness;
 - b. The medical need is documented by the physician;
 - c. Continuous irrigation, frequent insertion, special care or observation is required because of bleeding, infection, obstruction, or heavy sediment formations; and,
 - d. Care of a recently inserted supra-pubic catheter, inserted within 2-4 weeks, is required.
 8. Colostomy and ileostomy care:
 - a. When medically necessary and required during early postoperative period;
 - b. During the period of initial self-care training, or
 - c. When complications are present and documented in the medical record.
 9. Treatment of decubitus ulcers when:
 - a. Deep or wide without necrotic center;

- b. Deep or wide with layers of necrotic tissue, or
- c. Infected and draining.

10. Treatment of widespread infected or draining skin disorders.
11. Application of dressings involving prescription medication and aseptic techniques when documented as required on a daily basis. Excludes simple dressings involving non-infected cases, simple skin breaks, and healed postoperative incisions.
12. Heat treatments prescribed by a physician as daily treatment for a specific condition.
13. Rehabilitation nursing procedures required on a daily basis as necessary to restore functioning, including teaching and adaptive aspects of nursing.

20. Since the Petitioner is under twenty-one years old, the Early and Periodic Screening, Diagnosis, and Treatment ("EPSDT") requirements apply to the request for PPEC services.

See supra ¶ 19.

21. Once it is determined that EPSDT applies to a request for a service, the Florida Medicaid program determines the amount or necessity for that service based on the State of Florida's published definition of medical necessity. The Florida Medicaid Definitions Policy (August 2017) ("Definitions Policy"), which is incorporated by reference in Fla. Admin. Code R. 59G-1.010, defines "medically necessary" or "medical necessity" as follows:

2.83 Medically Necessary or Medical Necessity

The medical or allied care, goods, or services furnished or ordered must meet the following conditions:

- Be necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain
- Be individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient's needs
- Be consistent with generally accepted professional medical standards as determined by the Medicaid program, and not experimental or investigational
- Be reflective of the level of service that can be safely furnished, and for which no equally effective and more conservative or less costly treatment is available statewide

- Be furnished in a manner not primarily intended for the convenience of the recipient, the recipient’s caretaker, or the provider

The fact that a provider has prescribed, recommended, or approved medical or allied care, goods, or services does not, in itself, make such care, goods or services medically necessary or a medical necessity or a covered service.

Definitions Policy at page 7.

22. The Florida Medicaid Authorization Requirements Policy (June 2016) (“Authorization Requirements Policy”), incorporated by reference in Fla. Admin. Code R. 59G-1.053, provides general requirements for providers to obtain authorization to render Florida Medicaid services. It states the following:

1.2 Definitions

The following definitions are applicable to this policy. For additional definitions that are applicable to all sections of Rule Division 59G, F.A.C., please refer to the Florida Medicaid definitions policy.

...

1.3.1 Authorization

The process of obtaining approval for reimbursement of a service based on medical necessity.

...

1.3.6 Provider

The term used to describe any entity, facility, person, or group that has been approved for enrollment or registered with Florida Medicaid.

1.3.7 Quality Improvement Organization

Entity designated to perform utilization review, quality assurance, and quality improvement activities for Florida Medicaid-covered services rendered by fee-for-service providers (also known as the QIO).

...

2.0 Authorization Requirements

2.4.2 Requests for Additional Information

The QIO may request additional information, as necessary, to determine medical necessity.

...

3.0 Determination Process

3.1 Review Criteria

The QIO may use a national standardized set of criteria, or other set of criteria, approved by AHCA, as a guide for authorizations performed at the first review level. If services cannot be approved at the first level review, the QIO’s physician

peer reviewer will determine medical necessity using his or her clinical judgment, acceptable standards of care, state and federal laws, and AHCA's medical necessity definition.

3.2 Review Process

The QIO will review each authorization request and will approve, deny, or request additional information. The QIO may deny a portion of the requested units of service if it cannot substantiate medical necessity based upon the information submitted.

3.2.1 Continued Authorization Requests

The QIO shall not deny or reduce the amount, frequency, or duration of a service that is already being provided, unless:

- The reduction is to correct for factual errors or omissions in prior certifications.
- There is a documented improvement in the recipient's medical condition.
- There is a documented change in the recipient's circumstances.
- The reviewing physician determines the recipient will not gain any additional benefit by continuing services at the current level.

Florida Medicaid Authorization Requirements Policy, pages 1-3.

23. In the instant case, Respondent terminated Petitioner's PPEC services for the certification period of November 20, 2023, through May 17, 2024. *See supra* ¶ 9. As established on the record by the testimony and evidence, eQHealth terminated Petitioner's PPEC services, because the PPEC services were not medically necessary; specifically, that PPEC services were not "individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness under treatment, and not in excess of the patient's needs." *See supra* ¶ 9.

24. Florida Medicaid covers PPEC services that: are determined medically necessary; do not duplicate another service; and meet the criteria as specified in the PPEC Policy. *See supra* ¶ 17. PPEC provides "skilled nursing supervision and therapeutic interventions in a non-residential setting to medically dependent or technologically dependent recipients." *See supra*

¶ 17.

25. In this case, there was no testimony or evidence that Petitioner requires “skilled nursing supervision and therapeutic interventions” at a PPEC facility. The documentation regarding Petitioner’s medical status, *supra* ¶ 2 – 6, reflects that Petitioner does not meet the definition of a “medically dependent or technologically dependent child” as Petitioner is not “a child who because of a medical condition requires continuous therapeutic interventions or skilled nursing supervision which must be prescribed by a licensed physician and administered by, or under the direct supervision of, a licensed registered nurse.” *See supra* ¶ 17. Specifically, Petitioner is not ventilator dependent, nor does [REDACTED] use a Bi-Pap, C-Pap, oxygen, or tracheotomy. *See supra* ¶ 3. Petitioner does not have gastrostomy tube or nasogastric tube, nor does [REDACTED] require wound care. *See supra* ¶ 3. Petitioner has [REDACTED] [REDACTED] *See supra* ¶ 5. Petitioner’s overall condition medically stable. *See supra* ¶ 5. Petitioner has [REDACTED]. *See supra* ¶ 5. Petitioner has no scheduled medications at PPEC. *See supra* ¶ 4, 11. Petitioner’s nursing needs consist of monitoring and supervision. *See supra* ¶ 6, 11.

26. Section 2.83 of the Definitions Policy mandates that to be medically necessary, “[t]he medical or allied care, goods, or services furnished or ordered must - [b]e individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient’s needs.” *See supra* ¶ 21. Based upon the aforementioned facts and evidence, *supra* ¶ 23, Respondent has demonstrated that the PPEC services at issue are not “individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment,” and are “in excess of the patient’s needs.”

Thus, Respondent has established that the requested PPEC services are not medically necessary, as defined in Fla. Admin. Code R. 59G- 1.010, and required by section 1.3.7 of the PPEC Policy. Looking at all the evidence relevant to the particular needs of Petitioner, the PPEC services at issue are not necessary to correct or ameliorate a defect or a physical and mental illness or condition.

27. In light of the parties' testimony, Respondent's Composite Exhibit 1, Respondent's Composite Exhibit 2, Petitioner's Composite Exhibits 1 through 5, the PPEC Policy, the Authorization Requirements Policy, and the Definitions Policy, Respondent has proved by a preponderance of the evidence that Respondent's termination of Petitioner's PPEC services was correct.

DECISION

Respondent's termination of Petitioner's PPEC services is **AFFIRMED**. Petitioner's appeal based on Respondent's termination of Petitioner's PPEC services is hereby **DENIED**.

DONE and **ORDERED** this 20th day of March 2024, in Tallahassee, Leon County, Florida.
