[Redacted]

PETITIONER,

AHCA Case No.: 24-FH1097

vs.

AGENCY FOR HEALTH CARE
ADMINISTRATION,

RESPONDENT.

_____ /

FINAL ORDER OF DISMISSAL

On April 5, 2024, [Redacted] (“Petitioner’s Authorized Representative”) requested a Fair Hearing on behalf of Petitioner, due to denial of Behavior Analysis services. Pursuant to Florida Administrative Code Rule (“Fla. Admin. Code R.”) 59G-1.100(3), the Agency for Health Care Administration (“AHCA” or “Agency”) has jurisdiction and must provide a Fair Hearing for:

- (a) A [Fee-For-Service] recipient who makes a hearing request regarding:
 1. The reduction, suspension, or termination by the Agency of a previously authorized service,
 2. The denial, in whole or in part, of a requested service or supply by the Agency, or
 3. The failure of the Agency to provide a timely [Notice of Action] subsequent to the Agency’s failure to provide all medically necessary services to the recipient with reasonable promptness.
- (b) An enrollee who makes a hearing request regarding:
 1. A notice of plan appeal resolution indicating that the plan appeal did not result in the reversal of a prior denial of a new service, or the reduction, suspension, or termination of a previously authorized service, if timely challenged by the enrollee in accordance with the plan appeal procedures following the timely issuance of the plan’s [Notice of Adverse Benefit Determination] to the enrollee,
 2. The failure of the plan to adhere to notice and timing requirements applicable to plan appeals, or

3. The failure of the plan to timely notice the enrollee through a [Notice of Adverse Benefit Determination], subsequent to the plan's failure to provide medically necessary services requested by the enrollee to the enrollee with reasonable promptness.

(c) An enrollee who makes a hearing request regarding a disenrollment denial.

(d) A recipient who receives notification from the Agency pursuant to rule 59G-5.110, F.A.C., that a reimbursement request is denied in whole or in part.

(e) A recipient entitled to a fair hearing pursuant to section 409.285(2), F.S.

(f) The Agency need not grant a fair hearing if the sole issue is a federal or state law requiring an automatic change adversely affecting some or all recipients.

(g) A recipient who makes a hearing request regarding a denial or reduction to a medically necessary Florida Medicaid service and seeks corrective action.

Whenever the Agency reduces, suspends, terminates, or denies a service provided under Medicaid, the Agency or its representative, issues a Notice of Action, sometimes entitled a "Notice of Outcome" or "Notice of Disposition" ("Notice"). The Notice provides information related to the determination and explains how to request a Fair Hearing if the Recipient does not agree with the decision. In the instant case, subsequent to the request for a Fair Hearing, a Notice of Reconsideration Determination was filed with the Office of Fair Hearings on April 16, 2024, which reversed the previous denial and resulted in a full approval and authorization of the requested services.

Because the reduction, suspension, termination, or denial of a service is a jurisdictional requirement for the Office of Fair Hearings, Fla. Admin. Code R. 59G-1.100(9)(b)(1) authorizes a Hearing Officer to deny or dismiss a request for a Fair Hearing if the Office of Fair Hearings lacks jurisdiction over the subject matter of the Fair Hearing request.

On April 18, 2024, the undersigned issued an Order to Show Cause ("Order") why the Fair Hearing request should not be dismissed for failure to comply with the Office of Fair Hearing's jurisdictional requirements under Fla. Admin. Code R. 59G-1.100(3). The Order notified Petitioner that failure to comply with the rule requirement on or before April 29, 2024, would result in

dismissal of the case. To date, the Office of Fair Hearings has not received a Notice or other documentation or explanation to show cause why the request for Fair Hearing should not be dismissed for failure to comply with the Office of Fair Hearing's jurisdictional requirements.

Based on the foregoing,

IT IS THEREFORE ORDERED AND ADJUDGED THAT:

This case is dismissed without prejudice and is now closed.

DONE and ORDERED this 7th day of May, 2024 in Tallahassee, Leon County, Florida.
