PETITIONER,

AHCA Case No.: 24-FH1663

Plan ID No.: [REDACTED]

vs.

MOLINA HEALTH CARE OF FLORIDA, INC.,

RESPONDENT.

_____ /

FINAL ORDER

At all times relevant to this proceeding, Petitioner received Medicaid benefits through Molina Health Care of Florida, Inc. On May 17, 2024, [REDACTED] (“Complainant”) requested a Fair Hearing on behalf of Petitioner based on Respondent’s denial of hospital inpatient services.

Pursuant to Rule 59G-1.100(9)(b)(6), Florida Administrative Code, the Hearing Officer is authorized to dismiss a request for a Fair Hearing because it is moot. The Florida Supreme Court explained in *Godwin v. State*, 593 So.2d 211 (1992) (*citing Dehoff v. Imeson*, 153 Fla. 553 (1943)) that “[a]n issue is moot when the controversy has been so fully resolved that a judicial determination can have no actual effect. . . A case is ‘moot’ when it presents no actual controversy or when the issues have ceased to exist.” *See also J.W. v. Agency for Health Care Admin.*, 178 So. 3d 542, 544–45 (Fla. 1st DCA 2015) (explaining that because J.W. received the requested treatment, “DCF was correct to dismiss J.W.’s fair hearing request under these circumstances because, once he received the continued psychiatric treatment he’d asked for, *he* no longer needed agency review of Magellan’s decision not to authorize the treatment. Rather,

the issue at that point became whether Flagler Hospital could be paid by Medicaid for the services it had rendered *without prior authorization.*”) (emphasis in original).

The services at issue in the instant case were provided on March 23, 2024. Because the hospital inpatient services at issue were already provided to the Petitioner and they have not received a bill for these services, the undersigned concludes that there is no relief that can be granted at a Fair Hearing at this time.

On June 10, 2024, the undersigned issued an Order to Show Cause (“Order”) why the Fair Hearing request should not be dismissed for mootness under Fla. Admin. Code R. 59G-1.100(9)(b)(6). The Order notified the Petitioner that failure to provide documentation to show cause why the request for a Fair Hearing should not be dismissed on or before June 20, 2024, would result in dismissal of the case.

The Office of Fair Hearings did not receive a response indicating that there are any additional issues that the Office of Fair Hearings has jurisdiction to address. If the Petitioner receives a bill for the services rendered on March 23, 2024, ■ may request a new Fair Hearing at that time.

Based on the foregoing,

IT IS THEREFORE ORDERED AND ADJUDGED THAT:

This case is dismissed as moot, and is now closed.

DONE AND ORDERED this 25th day of June, 2024 in Tallahassee, Leon County, Florida.
